### REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors SSH Securities, Inc. Syosset, New York

We have audited the accompanying statement of financial condition of SSH Securities, Inc. as of December 31, 2001, and the related statements of income (loss), changes in ownership equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of SSH Securities, Inc. as of December 31, 2001, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements, taken as a whole. The information contained in pages 3, 4, 6 and 7 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

### COMPUTATION OF BASIC NET CAPITAL REQUIREMENT

#### Part A

11.	Minimum net capital required (6-2/3% of line 19)	7,	912	3756
12.	Minimum dollar net capital requirement of reporting broker or dealer and minimum net capital requirement			
	of subsidiaries computed in accordance with Note (A)	5,	,000	3758
13.	Net capital requirement (greater of line 11 or 12)\$	7,	,912	3760
14.	Excess net capital (line 10 less 13)	62	,643	3770
15.	Excess net capital at 1000% (line 10 less 10% of line 19)	58	,687	3780

#### COMPUTATION OF AGGREGATE INDEBTEDNESS

16.	Total A.I. liabilities from Statement of Financial Condition	. \$_	118,679	3790
17.	Add:	-		
	A. Drafts for immediate credit	]		
	B. Market value of securities borrowed for which no equivalent	_		
	value is paid or credited	]		
	C. Other unrecorded amounts (List)\$	] <b>s</b>		3830
19.	Total aggregate indebtedness	. \$_	118,679	3840
	Percentage of aggregate indebtedness to net capital (line 19 - by line 10)		4 4 4 4	3850
21.	Percentage of debt to debt-equity total computed in accordance with Rule 15c3-1 (d)	%		3860

#### COMPUTATION OF ALTERNATE NET CAPITAL REQUIREMENT

### Part B

OMIT PENNIES

### NOTES:

- (A) The minimum net capital requirement should be computed by adding the minimum dollar net capital requirement of the reporting broker dealer and, for each subsidiary to be consolidated, the greater of:
  - 1. Minimum dollar net capital requirement, or
  - 2. 6-2/3% of aggregate indebtedness or 2% of aggregate debits if alternative method is used.
- 1B) Do not deduct the value of securities borrowed under subordination agreements or secured demand note covered by subordination agreements not in satisfactory form and the market values of memberships in exchanges contributed for use of company (contra to item 1740) and partners' securities which were included in non-allowable assets.
- (C) For reports filed pursuant to paragraph (d) of Rule 17a-5, respondent should provide a list of material non-allowable assets.

### SSH SECURITIES, INC.

### NOTES TO FINANCIAL STATEMENTS

### December 31, 2001

### (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### NATURE OF OPERATIONS

SSH Securities, Inc. (the "Company"), is a New York corporation which began operations on December 19, 1997, as a broker/dealer in mutual fund securities. The Company deals only in the distribution of a mutual fund's shares and does not handle customer funds or securities.

### **ACCOUNTING ESTIMATES**

In preparing financial statements in conformity with generally accepted accounting principles, management makes estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

### SECURITIES TRANSACTIONS

Securities, commission revenue and related expenses are recorded on a trade date basis.

#### FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying amounts of cash, commissions receivable, and accrued expenses approximate fair value because of the short maturity of these items.

### (2) REGULATORY REQUIREMENTS

The Company is exempt from the provisions of Rule 15c-3-3 of the Securities Exchange Act of 1934 (reserve requirement for brokers and dealers) in that it does not hold funds or securities for customers and it promptly transmits all funds and delivers all securities in connection with its activities as a broker or dealer.

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined, equal to the greater of \$5,000 or 6-2/3% of aggregate indebtedness. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2001, the Company had net capital of \$70,555, and net capital requirements of \$7,912. The percentage of aggregate indebtedness to net capital was 168%.

### REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS ON INTERNAL CONTROL STRUCTURE REQUIRED BY SEC RULE 17a-5

To the Board of Directors SSH Securities, Inc. Syosset, New York

In planning and performing our audit of the financial statements of SSH Securities, Inc. for the year ended December 31, 2001, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and to comply with the requirement of SEC Rule 17a-5, not to provide assurance on internal control.

We also made a study of the practices and procedures followed by the Company in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and the procedures for determining compliance with the exemptive provisions of Rule 15c3-3. We did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13, or in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the Commission's abovementioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control, errors or fraud may occur and not be detected. Also, projection of any evaluation of internal control to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control component does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure, including procedures for safeguarding securities, that we consider to be material weaknesses as defined above as of December 31, 2001.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2001, to meet the Commission's objectives.

This report is intended solely for the information and use of management, the Securities and Exchange Commission, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934, and should not be used by anyone other than these specified.
